

## Export Promotion Council for Medical Devices

(Set up by Government of India & YEIDA)

### IMPORTANT CIRCULAR

EPCMD-India/Source from India/01/2025-26

22<sup>nd</sup> January, 2026

To,  
All EPCMD-India Members;

**Subject: Revision of exporter eligibility criteria for registration on "Source from India" service of Trade Connect ePlatform: Reg:**

Dear Members / Exporters,

Season's Greetings from Export Promotion Council for Medical Devices-India!!

We wish to bring to the kind attention of all the Stakeholders and Members of this Council that **Trade Notice No. 5/2025-26 dated 13th June, 2025** has announced the rollout of the "**Source from India**" service on the **Trade Connect ePlatform** (<https://www.trade.gov.in/pages/source-from-india>) for all **Status Holder Exporters**. "Source from India", a flagship feature of the Trade Connect ePlatform (hereinafter referred to as "**Trade Connect**"), serves as a **one-stop reference point** for international buyers to discover accomplished Indian exporters from whom they can source products. This service enables exporters to create their own **microsites** on Trade Connect, allowing them to showcase their products as well as the credentials and capabilities of their entity.

In order to enable member exporters to create their profiles on "**Source from India**" facility of Trade Connect, it has been decided by the Govt. to amend the eligibility criteria of exporters for availing the said facility, which is as under:

1. **All valid IECs (IECs that are not in DEL) fulfilling a minimum export realisation of USD 100,000 in at least one of the previous three financial years at the time of application will now be eligible to create their microsites on Source from India, in addition to Status Holders.** It may be noted that the DGFT eBRC database will serve as the sole reference point for realisation data and will determine eligibility based on aggregate eBRC value available on a financial year basis;
2. **Users registered on Trade Connect whose profiles are linked to eligible IECs will automatically see the option for "Source from India" microsite creation on their dashboard.** A detailed guide is annexed to this circular which may be referred for step-by-step guidance on the same;
3. Indian Missions have also been duly sensitised to use "Source from India" as a reference point for addressing sourcing needs of foreign buyers approaching the missions for requests to help find Indian suppliers for various products.

Thanks with best regards,

**Praveen Kumar Mittal**

**Executive Director**

Export Promotion Council for Medical Devices – India
